Welcome

On behalf of the Convention & Visitors Bureau – Pinehurst, Southern Pines, Aberdeen Area and the entire Moore County hospitality industry, we want to extend to you a very cordial welcome to The Home of American Golf.®

Take the beauty of more than 43 golf courses with their vivid contrasts of brilliant green and dazzling white. Set this scene against a backdrop of a bright blue sky. Plant in their midst towering hundred-year-old pines, native azalea, holly, wisteria and dogwoods, and frame it with several charming villages and towns. This is the Pinehurst, Southern Pines, Aberdeen area. An area steeped in beauty, tradition, and golfing excellence. And that's why, for more than a century, people have been coming here to relax, revitalize and take care of business.

Our golf courses, quiet country lanes, friendly southern towns and villages, and world-renowned resorts are just an extension of the land's own natural charm. Take a look around and what you see is peaceful. What you hear is pleasant. And what you feel is totally relaxed.

You'll find a diversity of activities in the area. There is golf, of course, with some of the finest courses in the country at your disposal. But there is more. Enjoy equestrian pursuits, from polo to harness racing...smashing tennis...water sports...bicycling...even lawn bowling and croquet; visit historic homes; shop for boutique items, antiques and handmade pottery.

This is also an area with a profound appreciation of history, nature and the arts, where people come together to celebrate the past, present and future with festivals, fairs and a host of other events.

So join us. Share all we have in beauty, charm and tranquility, hospitality, and entertainment. The Pinehurst, Southern Pines, Aberdeen area—where you'll find the perfect combination to meet with success.
