FROM THE DESK OF THE PRESIDENT & CEO

Hello Spring! Goodbye Winter!

As we gladly welcome spring with warmer temperatures and hopefully less rain, your CVB is busy with a number of things designed to encourage more people to visit the Home of American Golf. Since our last newsletter, we have hired The Brandon Agency to assist us with a rebranding exercise, new logo, new advertising creative concepts and social media support. You will see those changes soon, plus we will launch a brand new CVB website some time this summer! For our hospitality industry friends, we are reprising the CVB Connect networking meetings with the next one scheduled for Thursday, March 14th. At these meetings, the CVB will look to “connect’ you with what’s happening in the destination and provide useful information for hotels and others to share with our visitors to the area. While there are plenty of options for things to do in the Pinehurst, Southern Pines, Aberdeen Area, we know golf is king in our destination. For the latest spring golf packages, click here to see where to stay and play. Overall, spring is a time for new beginnings and its no different at your CVB as we continue to promote the Home of American Golf and all there is to see and do in this globally-recognized destination.
